

BEAUTY LAB LASER

Good To Glow Mini Feel The Peel

After Your Treatment

- Avoid exfoliating your skin for 1 week
- Do not pick or scrub at any dry or flaking areas
- Avoid topical products like AHA's/BHA's and retinols for 5 days
- Avoid direct sun exposure for 1 week after your treatment
- Wear a SPF of 30+

Depending on the peel performed and the health of the skin, it can be normal to not see visible peeling
